

Roscoe Bath Safety

Raised Toilet Seats

Roscoe Raised Toilet Seats provide improved safety and functionality for individuals who struggle with the up and down demands of using the bathroom. All Roscoe Toilet Seats are constructed of a heavy duty blow molded plastic that is durable and easy to clean. Available in retail packaging, Roscoe Raised Toilet Seats offer tool-free assembly and a limited lifetime warranty.

Raised Toilet Seat (without lock)

- Designed for patients who have difficulty sitting down or getting up from the toilet
- Heavy duty blow molded plastic construction is sturdy, safe and easy to clean
- Circular drop-lip prevents seat from moving when placed directly on toilet
- Adds 5" to the existing bowl height
- Extra large hygienic hole cut out
- Color: white
- Limited Lifetime Warranty
- HCPCS Code: E0244*

Locking Raised Toilet Seat

- Designed for patients who have difficulty sitting down or getting up from the toilet
- Heavy duty blow molded plastic construction is sturdy, safe and easy to clean
- Adds 5 1/2" to the existing bowl height
- Adjustable front locking mechanism tightens easily with one hand and fits most toilets, prevents shifting of seat while transferring
- Color: white
- Limited Lifetime Warranty
- HCPCS Code: E0244*

Locking Raised Toilet Seat with Aluminum Arms

- Designed for patients who have difficulty sitting down or getting up from the toilet
- Heavy duty blow molded plastic construction is sturdy, safe and easy to clean
- Adds 5 1/2" to the existing bowl height
- Adjustable front locking mechanism tightens easily with one hand and fits most toilets, prevents shifting of seat while transferring
- Removable arms
- Color: white
- Limited Lifetime Warranty
- HCPCS Code: E0244*
